MEMORANDUM FOR: Director of Personnel

SUBJECT : Annual Personnel Plan

1. My attention has been called to the Agency's annual requirement for Personnel Plans, and the Intelligence Community Staff's overdue response. Any information which I could furnish you at this time with respect to IC Staffing for the remainder of FY 1974 would not be responsive to your needs and would serve no useful purpose. We are currently engaged in an in-depth review of the IC mission and an identification of Group responsibilities. After approval by the DCI, these determinations will dictate staffing patterns and numbers.

2. When this action has been completed, around the middle of December, I will be in a position to advise you more precisely with respect to grade structure and anticipated movement of personnel.
